Rector's Weekly Note

One Revolution Around the Sun at St. Bart's *The Rev. Mother Nina Bacas*

I'm so excited that my one-year anniversary with you is fast approaching. It's important because I will have finally experienced the full liturgical year and cycle of parish life at St. Bart's. No longer will I be relying on other people's descriptions of the bead tossing on Shrove Tuesday or the live donkey on Palm Sunday. I've seen it with my own eyes! Also, I have seen the campus grounds in all of its seasonal glory. Simply spectacular!

My anniversary is not until June 1, but I bring this up now because of promises made last summer. I want to give you plenty of lead time. In the summer of 2023, several households hosted listening sessions so that we could quickly get to know each other and hear concerns. At the end of each gathering, I proposed that we meet again in one year (summer 2024) to assess how things have gone over the first year. It's that time! Now that we're no longer new to each other, let's get together again to talk frankly about how we are doing and where we are going. I look forward to this very much.

Mother Nina+

Announcements

In Christian Sympathy: Correction to earlier announcement

Harriett Louise Moon passed away on April 17, 2024, not April 27 as reported in a parish-wide email. All other information is correct.

May Harriett rest in peace and rise in glory.

Adult Forum This Sunday Rainwater Harvesting with Brook Sarson of Catching H2O April 28, 9-9:45 a.m., MPR

Learn how to build resilience against water shortages and create a beautiful, abundant landscape with rainwater! Brook Sarson, owner of Catching H2O, will help you understand how to capture this often-underutilized resource for use passively or actively. She will dispel myths and get you excited about this precious resource!

Brook works with local policy makers, municipalities, and educational

institutions to find local, community-based solutions to water resilience in our region. She has supported the development of several rebate programs, including the City of San Diego Rainwater Rebates and San Diego's Waterscape Rebate program, and has developed multiple Rainwater and Greywater Harvesting Workshops, hosted through Catching H2O.

**OPEN INVITATION TO ALL WOMEN
SPONSORED BY
SAN DIEGO DIOCESE
DAUGHTERS OF THE KING**

**PRESENTS THE STORY OF THE FIRST
EPISCOPAL WOMEN PRIESTS**

**MAKING ROOM AT THE TABLE: THE
STORY OF THE PHILADELPHIA ELEVEN**

The film shows how a brave group of women shattered the stained-glass ceiling on July 29, 1974, by challenging the very core of patriarchal culture to seek ordination as priests in the Episcopal Church. It is a powerful story of faith and conviction. It is a story for all of us, regardless of faith tradition. The film introduces us to the women involved, the paths that brought them together on that momentous day - what has changed (or not changed) in the life of the church over the intervening years.

St. Bart's Softball Team

Are you in? We have 5 but we need 10!

The RB Church Softball League has been in existence for more than 30 years! It was initially started to promote the ecumenical movement and extend church communities beyond the steeple. The vision has been a success, and churches around the community gather each summer to play in a coed league centered on fun and camaraderie.

St. Bart's had a team in the league years ago. Should we play again? Games take place on Sunday afternoons at the RB Community Park. The season generally runs from June to August. Minimum age is 14 years old.
