## Thank You, St. Bart's!

***The Rev. Brian Petersen***

Dear St. Bart's Family,

Thank you to everyone who came out to worship and hear about St. Brigid last Sunday! It was wonderful to see many of you that I hadn't seen in a while, and so many new faces as well. And I am very grateful for all of the well-wishes for my new role at St. Andrew's, Encinitas, and, of course, for the lovely and delicious cake!

More than anything else, though, I am thankful for the honor of being able to serve your community for the past four years. I came to St. Bart's as a newly ordained transitional deacon back in 2022, and you have provided a home and place for me to grow into my ministry as a priest here in the Diocese of San Diego. I leave with many great memories with all of you—from ReGen services to chaparral hikes to sunrise services and Cursillo weekends—it's been such a blessing to walk alongside the St. Bart's community in our shared journey of faith these past few years.

Thank you for your warm welcome, your heart for ministry, and the fun, fellowship, and deep connections that have given St. Bart's a special place in my heart. And even though this Saturday will be my last "official" day at St. Bart's, you know that I won't be too far away—and I look forward to seeing many of you at diocesan and other events in the future. Blessings to you all, and may God continue to guide you and empower you to be salt and light in your neighborhood and beyond!

In Christ,  
Pastor Brian

---

*In honor of his four years of service to us at St. Bart's, we invite you to contribute to a "purse" for Brian as he continues with his ministry. (Under Fund, select "Brian Petersen.")*

The latest episode of The Fig Tree Podcast is now available! Listen in as Mother Nina, Father Jacob, and Mike Jewett discuss the second part of the book of Isaiah—how it teaches us about God's promise of comfort in the midst of difficult times, points us to Jesus as the "suffering servant," and instructs us in what it means to be the people of God.

**INTERFAITH

## Overnight Chaperones Needed for Rotational Shelter

The Interfaith Shelter Network provides wintertime housing and meals for those in situational need by rotating them through houses of faith that host them. St. Bart's is back in the rotation in 2026! Starting on Sunday, February 1, at least three people have been sheltering in our multipurpose room, and they'll be there until Sunday, February 15. We still need volunteers to be overnight chaperones—you can sleep in the church offices (with private bathroom) or in your own camper in the parking lot. This is a wonderful opportunity to seek and serve Christ in

all people, loving our neighbors as ourselves—

## Donations Needed for Outreach

### Gala

**Saturday, April 11, 5-9 p.m., Country Club of Rancho Bernardo**

Thank you so much to our early Gala ticket purchasers—we are thrilled to have you attend! And we are just getting started!

Two critical fundraising elements of the Gala are the live and silent auctions, and we are currently seeking the following donations to make these auctions spectacular:

- **Live auction:** Luxury items and unique experiences such as timeshares, event hosting, second homes, and more.
- **Silent auction:** Items to create exciting silent auction baskets, including wine tastings, golf outings, sports tickets, spa treatments, artwork, jewelry, hotel/restaurant and other gift cards, collectibles, and similar items. Ask your favorite businesses to contribute (a donation letter with St. Bart's tax ID number is available below).

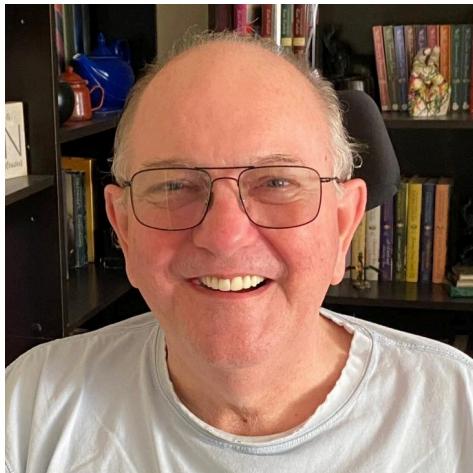

If you can donate any of these items or experiences, it will greatly enhance both our live and silent auction offerings. Donations can be dropped off at the church office, or contact [Anne Hand](#), (760) 520-5738. Thank you in advance for your generosity—together, we can make the 2026 Outreach Gala a Tropical Night to remember!

Did you know that St. Bart's has a hearing loop system in both the sanctuary and chapel? It

works with hearing aids and cochlear implants equipped with telecoils, or T-coils, to send audio directly into your ears. If your assistive listening device has this technology, switch it to T-coil mode. And if you don't have T-coils, headsets are available to borrow at the audiovisual booth. Questions or feedback regarding our loop system? Contact [John-Luke Addison](#).
